1 | PATRICIA A. MCCOLM, declares:

1. I am the Claimant in this proceeding submitting the McColm Claims.

3 2. The statements herein are my personal knowledge, information and belief and if called
4 to testify could and would testify competently thereto.

5 3. This declaration is in support of this Claimant's Response Opposition to the
6 Reorganized Debtors' One Hundred Seventh Omnibus Objection to Claims (McColm Claims.)

7 4. On September 24, 2021, Claimant filed an Objection with this Court advising lack of
8 service by Prime Clerk of the essential documents upon which a Response/Opposition was
9 required [Doc# 11330] which is incorporated herein by reference and made a part hereof. Even
10 after notice of non-receipt, Prime Clerk failed to provide this Claimant with the missing
11 document. A copy of her filed endorsed claims was also not received. Claimant appreciates the
12 Courts kind grant of additional time to respond.

13 5. After request directly to counsel for the Reorganized Debtors, a copy of the filed
14 claims was recently received, which revealed error and omission by Prime Clerk. On October
15 15, 2021, Claimant requested that the errors and omissions be corrected, a true and correct copy
16 of which is attached hereto as **EXHIBIT A** and made a part hereof.

17 6. The supplemental claim letter includes additional facts re damages sought in Claim
18 No. 5695; a letter, includes true and correct report of damages attendant to the unlawful PG&E
19 break-in trespass through the “McColm Drive” gate at Deadwood Road, destroying the locks and
20 chains securing the gate positioning and upon leaving through the hazardous unrepairs gate
21 location, PG&E unlawfully placed a PG&E lock on the gate, refusing to either remove the lock
22 or give Claimant a key; thus, unlawfully **LOCKING CLAIMANT OUT OF HER OWN**
23 **PROPERTY!** Replacement materials and labor expenses re gate security are approximately
24 \$125 (which does not include costs for repair of the hazardous road addressed below).

25 7. If for any reason, the request to counsel for clerical correction of the McColm Claims
26 is not forthcoming, it is hereby respectfully requested that the Court correct same sua sponte as

1 set forth in the October 15, 2021 letter to counsel for Reorganized Debtors, Attorney Thomas B.
2 Rupp.

3 8. The facts stated in the McColm Claims and letter of January 18, 2019 attached to the
4 timely Claim No. 7659 in this Court; are true and correct and are incorporated herein by
5 reference and made a part hereof in support of Claimant's Response Opposition to Reorganized
6 Debtors Objection.

7 9. The Objection does not appear to deny the facts or dispute the allegations set forth in
8 the McColm Claims for any reason that would negate liability.

9 10. Claimant incorporates herein by reference the facts set forth in the Response
10 Opposition to the Reorganized Debtors Objection; where on personal knowledge and belief are
11 true and correct.

12 11. As set forth in the Response Opposition, the alleged grounds for the Objection and
13 Declaration of Cesar V. Alegria, Jr.; in particular, the misleading allegation re "successor in
14 interest" implication re 1916 recorded right of way; hereinafter, the PG&E "big lie" and the
15 allegation that a Judgment on appeal is permissive of the facts constituting the wrongs set forth in
16 the McColm Claims are not credible, are disputed as clearly wrong and are unethical contentions
17 to take unfair advantage of this stigmatized vulnerable 75 year old woman with limited medical
18 capacity to defend against the uncaring self-serving big business modus operandi re "*We can do*
19 *whatever we want, we have an easement.*"

20 12. At no time in the history of title, was McColm land burdened by a PG&E recorded
21 easement/right of way. On the contrary, it was at all times subject to predecessor owner quiet
22 title actions and purchased for value by George L. McColm on or about 1973 sans notice per
23 deed or otherwise of any claim on the purchased lands (McColm lands). He timely and
24 consistently perfected statutory process (CC 1008) that negated any claim of easement/right of
25 way. At trial, former Recorder and CEO of Trinity County, Dero Forslund, and title expert
26 determined by complete history title search that PG&E had NO RECORDED
27
28

1 EASEMENT/RIGHT OF WAY ON MCCOLM LANDS and Claimant's expert surveyor
2 engineer, testified that the 1916 deed did NOT touch McColm lands.

3 13. The representation of counsel for PG&E that it is a "successor in interest" of the
4 1916 deed, was disproved at trial, when its many years employed PG&E principle land surveyor
5 Scott Wilson, testified as an expert stating in response to inquiry about whether the 1916 deed
6 applied to McColm lands: "*That the lands description for that document was outside the*
7 *McColm property.*" At true and correct copy of the trial transcript testimony of Scott Wilson at
8 page 385 lines 2021 confirming the "big lie" admission by PG&E, is attached hereto as
9 **EXHIBIT B** and made a part hereof.

10 14. Accordingly, all references to "successor in interest" to the 1916 deed is NOT
11 RELEVANT to McColm lands and gives the appearance of intent to deceive to obtain an unfair
12 result based on the misleading "big lie." The PG&E "big lie" should bear no fruit.

13 15. Accordingly, repeat of "successor in interest" to 1916 deed in Declaration of Cesar
14 V. Alegria Jr. under penalty of perjury, is wrong; as it was clearly within his personal knowledge
15 that the statement was by fact and implication entirely FALSE!

16 16. The declaration of Attorney Alegria is also misleading in reference to an alleged
17 prescriptive easement "across the lands described in Exhibit 1 to the Judgement." Although the
18 description in Exhibit "C" of declarant's Exhibit 1, is limited to the narrow path of the electric
19 lines across parcels APN 025-410-33 and 34; it does NOT run "across the lands" depicted in the
20 map showing all the parcels included in the entire five acres of McColm lands. NO LANDS
21 OUTSIDE THE NARROW PATH OF THE ACTUAL DESCRIPTION ARE INCLUDED IN
22 EITHER THE PURPORTED EASEMENT OR JUDGEMENT ON APPEAL FOR ACTIVITY
23 BY PG&E. Accordingly, the implication that it can do as it pleases on the remainder parcels is
24 WRONG. Thus, the basis for the McColm Claims are well founded; in particular, as to harm
25 committed on lands outside the narrow scope of the disputed easement.

26 17. The declaration of Attorney Alegria actually supports the McColm Claims re
27
28

1 contentions of right to damages inflicted from wrongdoing outside the perimeter of the depicted
2 easement. He contends a right to “access its easement to maintain its equipment and manage
3 vegetation within the easement (emphasis added).” But that is NOT what PG&E employees did!
4 They accessed McColm lands OUTSIDE the purported easement and did NOT limit its
5 maintenance activity to WITHIN the purported easement. The McColm Claims, in substantial
6 part, describe harm which occurred OUTSIDE the perimeter limits of the depicted easement; and
7 thus, he is wrong to say PG&E “continues to exercise its rights in accordance with the
8 Judgment.” THE JUDGMENT DOES NOT ALLOW ANY ACTIVITY ON LANDS OUTSIDE
9 THE LIMITS DEPICTED for the easement on appeal.

10 18. The Alegria declaration is objected to as generally exaggerated and misleading; as
11 well as, irrelevant to the substance of the claims; e.g. extensions of time, most of which received
12 NO OBJECTIONS from PG&E. The Court of Appeals granted the most recent extension to
13 accommodate medical necessity.

14 19. The McColm Claims are NOT DISPUTED either in the Alegria declaration or
15 otherwise on fact or authority pertaining thereto. Claimant sets forth in the Response Opposition
16 the points; incorporated herein by reference, that it appears that the Judgment on appeal, is in fact
17 subject to the automatic stay and does not need a separate order to effectuate the stay. The stay
18 request referenced was limited to a specific UNKNOWN behavior anticipated by PG&E, which
19 was uncertain in its scope where avoidance of further harm was the concern.

20 20. Having “opened the door” by including the September 30, 2019 McColm letter to the
21 Court of Appeal and the McColm letter of September 27, 2019 to PG&E’s Mark Habib as part of
22 the Declaration of Cesar V. Alegria, Jr.; Claimant hereby includes by reference said documents,
23 the facts as true and correct therein and argument set forth therein as though fully set forth in
24 Claimant’s Response Opposition in support of the McColm Claims and the estimation of
25 damages identified therein.

26 21. Each of the causes of action identified in the Response Opposition are supported by
27
28

1 the facts set forth in the McColm Claims as verified herein which meet the elements for each
2 thereof.

3 22. A true and correct copy of photographs taken by this Claimant during the unlawful
4 invasion of November 5, 2019 are attached and made a part hereof as follows:

5 **EXHIBIT C:** “Private Road McColm Drive” gate showing PG&E personnel far
6 in the some 350 foot distance with Sheriff personnel trespassing on McColm lands OUTSIDE the
7 perimeter of the alleged easement. The beautiful mature tree in the area outside of the perimeter
8 near the officers is beautiful “no more” and dying from the mutilating scalping unlawfully
9 performed by PG&E agents.

10 EXHIBIT D: "Private Road MCCOLM DRIVE" sign at Deadwood Road gate
11 showing PG&E employee thereunder.

12 **EXHIBIT E:** *Top Photo:* Showing asthma producing hay used in futile effort to
13 hide ruts and loose dirt created by the heavy machinery, OUTSIDE perimeters of disputed
14 easement! *Middle Photo:* Showing collapse of entry road and ruts caused by PG&E heavy
15 machinery, some 325 feet outside perimeters of disputed easement. *Bottom Photo:* showing ruts
16 to poles outside perimeter and beautiful mature tree outside perimeter that is “no more” by
17 PG&E acts in excess of disputed easement which had posed no danger to the lines as determined
18 by the CalFire Chief not long before.

19 **EXHIBIT F:** *Top Photo:* Showing lopsided gate out of center with PG&E lock.
20 *Middle Photo:* showing cut too short with chain/lock breakage bound by PG&E lock. *Bottom*
21 *Photo:* No Question, a PG&E lock! Purposefully locking this owner out of her own property!
22 PG&E employees refused to remove the lock or give this owner a key to her own gate. The area
23 damage is so hazardous and unsafe, that fencing had to be reinstalled.

24 23. The abuses inflicted by PG&E on November 5, 2019 caused this Claimant to be
25 admitted to the emergency room with extremely high blood pressure and risk of stroke/heart
26 attack. A true and correct copy of the Emergency Room admission and evidence of high blood

1 pressure is attached as **EXHIBIT G**. Per diagnosis of "Afib," the unconscionable PG&E
2 misconduct and the inflicted distress therefrom, not only caused being faint and severe headache;
3 but posed a serious risk of heart attack or stroke. **PG&E must be stopped from repeating its**
4 **misconduct!**

5 24. Each of the causes of action supported by the McColm Claims have some similar
6 and others different means for determining specified damages which constitute the claim
7 amounts; whether by real property damage repair/replacement, loss of use, loss of property value,
8 or exemplary damages allowable under the facts and law in this case, the claim amounts are well
9 justified and will be further supported by supplemental submissions and/or with leave, presented
10 at hearing. Primarily due to aggravated of M.S. from effects of recent surgery, flu and Covid
11 booster, Claimant has been unable to either locate prior reports estimating damages or had the
12 time to update the research and obtain alternative expert appraisals/valuations. Limited finances
13 and unavailability of experts from conflict of interest re having been employed by PG&E have
14 added to the need for additional time and discovery.

15 25. On information and belief and appraisal guidelines on the internet, the value of
16 mature trees is between \$1,000 and \$10,000 per tree per document from the internet attached as
17 **EXHIBIT H**. If very large and well placed, a mature tree can double in value. A replacement
18 would likely be even more, if one could be found. A well placed tree can increase property value
19 between 10-20%. Where we are talking about an entire forest of at lease 17 mature trees and
20 more being destroyed in a community where it is the forest that attracts potential buyers want to
21 have cabin garden retreats, to be missing the forest; in particular, to block the negative view will
22 reduce the value from 10-20% or more. When the entire area that is obstructed by a multiple
23 power pole eyesore, the entire area is diminished in value. Prior to the PG&E, the overburdened
24 scalped lot was appraised at about \$200,000. The last real estate agent proposed offer was a
25 mere \$50,000 and that was BEFORE the loss of the forest. The losses are clearly within the
26 amounts for which the claims are estimated. Adding the property repair needs, personal injury

27

28

1 and other damages, the claim amounts are well justified.

2 26. Importantly, Claimant can no longer use the “caddywampus” unsafe road entry at the
3 McColm Drive gate which also impacts the value of the property as it is not safe for anyone to
4 use. Best recollection of the 2004 cost of building the gate road was about \$20,000. Today, that
5 cost would appear to be doubled and if a culvert has collapsed as is likely the case from the far
6 less than flat road that was built, the heavy machinery having caused the road to collapse to the
7 side into a slant (See photos), the cost to excavate and replace could be triple said amount if not
8 more.

9 27. As Claimant has run out of time to continue this analysis, where mail must go out
10 only once a day and even priority express takes 2-3 days, it is now necessary to close for mailing
11 and hope that time will be allowed for further presentation of damages.

12 28. The Reorganized Debtors' Objection is without merit on the grounds stated and does
13 not dispute the facts giving rise to the McColm Claims.

14 29. It is respectfully requested that the Reorganized Debtors' Objection be overruled or
15 that the hearing be a status conference with time allowed for discovery, accommodation of
16 disability, seeking assistance of counsel and for such other and further relief the Court deems
17 appropriate and just.

18 | 30. Your kind consideration is appreciated.

19 I declare under penalty of perjury under the laws of the State of California that the
20 foregoing is true and correct.

Re: BCN 19-30088; APPRECIATION FOR FAX RECEIPT OF CLAIMS;
AMENDED REQUEST FOR CORRECTIONS.

Dear Attorney Rupp:

Thank you for receipt of the fax copies of the filed McColm Claims, not heretofore received. There appear to be some filing date errors and omission of supplemental facts provided.

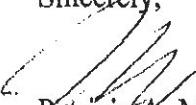

Mail times are horrible; but perhaps you will agree that the actual date of receipt should be reflected as the filing date for the McColm Claims:

Claim No. 7659: 1) By letter included with primary mailing on May 5, 20(19)/(20), "SUPPLEMENTAL FACTS FOR INCLUSION IN CLAIM RE 11/5/19" were provided. This document does not appear with copy of claim you provided, even though it was mailed in the same envelope and was received by PRIME CLERK on May 12, 2020, intended to be part of the Claim. A true and correct copy of the letter for inclusion in Claim is attached as **EXHIBIT A**. Please be so kind as to ensure that this supplemental fact document is added to the Claim. 2) Further, the filing date of May 13, 2020 is in error. Accordingly, please correct the filing date of the Claim to **MAY 12, 2020**, as verified by **EXHIBIT B**, USPS TRACKING verification attached.

Claim No. 104538: The Priority Mail receipt attached to the Claim, shows that the actual receipt date of the document was **JULY 22, 2019**, attached hereto as **EXHIBIT C**. Thus, the alleged **August 20, 2019** filing date is in error. Correction is requested.

Your early attention to the requests herein with confirmation copy of the corrections to the above by fax is appreciated.

Sincerely,

Patricia A. McColm

Dear Board and PG&E et al:

Please additon facts to the claim for damages pursuant to Gov. C section 910 as follows:

The unlawful entry caused damage by breakage to the lock/chain/positioning securing the gate at McColm Drive at Deadwood Road; and upon trespassers leaving, claimant was "locked out" by imposition of a PG&E lock at said gate. Claimant asked that it be removed or key thereto given and was refused.

Re: *In re PG&E Corporation*, Case Nos. 19-30088, *et al.* (Bankr. N.D. Cal.); Proofs of Claim Nos. 7659 and 104538

Dear Ms. McColm:

I write on behalf of PG&E Corporation and Pacific Gas and Electric Company, debtors and reorganized debtors in the above-referenced chapter 11 cases (together, "PG&E") currently pending in the United States Bankruptcy Court for the Northern District of California ("Bankruptcy Court").

I acknowledge receipt of your fax dated October 13, 2021.

As you and I agreed previously, PG&E will accept service by fax of your response to the *Reorganized Debtors' One Hundred Seventh Omnibus Objection to Claims (McColm Claims)*. Please fax your response to my attention at: (650) 636-9251. A formal stipulation does not need to be filed with the Bankruptcy Court.

As I noted in our previous telephone call, notwithstanding PG&E's acceptance of service by fax, you are still required to ensure that your response is filed with the Bankruptcy Court by the response deadline. For assistance with filing documents with the Bankruptcy Court, you may call the court at (888) 821-7606.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Thomas B. Rupp".
